

SUNBOX[®] Rental Program

Rent with an option to buy

Terms of the Program

- Only SunBox light boxes (SunLight Jr., SunBox DL, SunRay, SunRay II+, SunSquare+) are available for rent. Other products sold by The SunBox Company are not available for rent.
- Units are to be rented by the month (minimum: 1 month, maximum: 5 months). Upon receipt of the 5th rental payment, the light box shall be considered sold.
- Rental must be paid by credit card, and this card must not expire within 5 months of the beginning of the rental period. The rental fee will be charged each month, on the same day of the month as the first payment (or the first business day thereafter, if that date falls on a weekend or a holiday). For example, if you begin the rental on Sept. 1, 2002, subsequent rental fees would be charged on Oct. 1, Nov. 1, Dec. 2 (the 1st is a Sunday) and Jan. 2 (the 1st is New Year's Day).
- All original shipping materials must be retained throughout the rental period, and must be used to return the unit to us if rental is to be discontinued; otherwise, you agree to be responsible for any damage due to insufficient packaging.
- To end the rental, contact us for return shipping instructions. We must receive the unit in good condition before the next rental fee is due to be charged.
- The shipping charge, if applicable (that is, if the unit is not picked up in our Gaithersburg office), is to be paid with the first month's rental fee.
- Import costs prohibit us from offering this rental program to anyone outside the US.
