

# Your Guide to the SunBox DL®

You have just made the important decision to buy your own SunBox DL desk lamp/light box. With this purchase, you join thousands of other individuals and hundreds of facilities worldwide who have chosen to use SunBox products. Thank you for choosing The SunBox Company as your bright light source. We truly value your business.

SunBoxes are the most advanced and the highest quality bright light boxes on the market today and are backed by a lifetime warranty - the longest in the industry. Founded in 1985, The SunBox Company is the original manufacturer of high-intensity light boxes. We constantly strive for excellence and are proud of our products and service.

The SunBox DL is one of our most compact models, and it is styled to be unobtrusive in an office setting. Its design allows it to be used as both a bright light source and as a task light.

## IMPORTANT NOTES:

- *In the event that your unit is damaged or broken upon delivery, immediately report the problem to us by calling (800) 548-3968 (toll-free) or (301)869-5980 so that the problem can be resolved in a timely fashion.*
- *Occasionally, fluorescent lamps may break or become loose in shipping. If, upon receipt, the fixture does not light, see the instructions for replacing the bulb to open the unit and see if the bulb is intact. If it is not, please call us so we can send you a new bulb.*
- *Please save all packing materials for reuse in the event that you have to return your unit to us. The SunBox Company cannot be responsible for damage due to insufficient packing.*
- *To prevent electric shock, do not use this light in any extension cord or other outlet unless all three blades of the plug can be inserted fully. Never remove the third (grounding) blade of this or any other electrical equipment. If you need to convert our 3-prong plug for a 2-prong outlet, make sure you properly ground the adapter to the wall plate. Otherwise, the light fixture might flicker while either on or off.*

## General Guidelines for Use

Most people use their SunBox light boxes as sources of bright light during the fall and winter months. Some people use them on overcast days at any time of year, or when their schedules or surroundings do not allow much exposure to natural sunlight. SunBoxes are also used by people working night shifts. Most people use light in the morning. If you use light too late in the day, it may disturb sleep.

To use a SunBox DL as a bright light source, the light should be in front of you, angled so that the light shines onto your face, and your eyes should be open. It is not necessary to look directly into the light; most people read, eat, or watch TV while using their SunBox. Eyeglasses or contact lenses may be worn, but heavily tinted sunglasses will reduce the amount of light received.

Average use at the 10,000 lux distance is roughly 20-30 minutes per day. At 5,000 lux, that would be the equivalent of 40 minutes to 1 hour. At 2,500 lux, the light might be used for two to three hours. Actual time for a particular individual will vary. It usually takes some experimentation to find a routine that is right for you.

To receive: **10,000 lux** your eyes must be **14"** from the unit.

**5,000 lux** **19"**

**2,500 lux** **29"**

## Our Commitment to You

The SunBox Company will provide you with valuable customer service, which continues well beyond your actual SunBox purchase. Your SunBox DL comes with a lifetime warranty, with a two-year guarantee on the bulb. Should a covered repair be necessary during this warranty period, be assured that your unit (or a replacement, if repair is not possible) will be shipped back to you within 48 hours of our receipt of the damaged unit.

When you need to replace the bulb in your SunBox, simply call us to conveniently have a new bulb shipped to you at a discounted price of 20% off the suggested retail price. We also carry a wide variety of lighting products to serve many of your lighting needs. Please contact us for information about our other lighting products.

You can place an order online 24 hours a day from our website--[www.sunbox.com](http://www.sunbox.com). Whenever you need to reach us, simply call us at (800) 548-3968 (toll-free) or (301) 869-5980 (local number in suburban MD). We will return your call within 24 hours.
