

# SunBox® LED SunUp™ Desk Lamp User Guide

You have just made the important decision to buy your own SunBox® LED SunUp™ Desk Lamp. With this purchase, you join thousands of other individuals and hundreds of facilities worldwide who have chosen to use SunBox® products. Thank you for choosing The SunBox Company as your bright light source. We truly value your business.

SunBoxes are the most advanced and the highest quality bright light boxes on the market and are backed by a **Five Year** warranty. Founded in 1985, The SunBox® Company is the original manufacturer of high-intensity light boxes. We constantly strive for excellence and are proud of our products and service.

The LED SunUp™ Desk Lamp is the most compact and it is styled to be unobtrusive in an office setting. Its design allows it to be used as both a bright light source and as a task light.

## **IMPORTANT NOTES:**

1. This unit is **NOT** dimmable
2. In the event that your unit is damaged or broken upon delivery immediately report the problem to us by calling 800-548-3968 (toll-free US only) or 301-869-5980 so that the problem can be resolved in a timely fashion.
3. Please save all packing materials for reuse, should you need to return your unit to us. The SunBox Company cannot be responsible for damage due to insufficient packing.
4. To prevent electric shock, do not use this light in any extension cord or other outlet unless the plug can be inserted fully.

## General Guides for Use

Most people use their SunBox® light boxes as sources of bright light during the fall and winter months. Some people use them on overcast days at any time of year, or when their schedules or surroundings do not allow much exposure to natural sunlight. People working night shifts also use SunBoxes. Most people use light in the morning. If you use light too late in the day, it may disturb sleep.

To use your LED SunUp™ Desk Lamp, the unit should be in front of you, angled so the light shines onto your face and your eyes should be open. It is not necessary to look directly into the light; most people read, eat, work on computers or watch TV while using their SunBox®. Eyeglasses or contacts may be worn, but heavily tinted glasses will reduce the amount of light received.

**Actual time for a particular individual will vary. It usually takes some experimentation to find a routine that is right for you.**

**10,000 lux - your eyes must be 11.5" from the unit for 15-30 mins  
16" from the unit for 45-60 mins**

## Our Commitment to You

The SunBox® Company will provide you with valuable customer service, which continues well beyond your actual SunBox® purchase. Your SunBox® LED SunUp™ comes with a five year warranty. Should a covered repair be necessary during this warranty period, be assured that your unit (or a replacement, if repair is not possible) will be shipped back to you within 48 hours of receipt of the damaged unit. Whenever you need to reach us, simply call us toll-free 800-548-3968 or 301-869-5980. Thank you for choosing The SunBox Company!

## SunBox® LED SunUp™ Desk Lamp

The New LED SunBox® SunUp™ 10,000 Lux Desk Lamp is a light box that looks like a desk lamp, not like a light box! Bend the flexible neck up to aim at the eyes for light therapy. Once finished, you can bend the flexible neck down, and the light box turns into a desk/task lamp great for home, office, crafts and hobbies with a full spectrum, glare-free light. Assembled in the USA, it comes with a Five (5) year warranty on the light unit. The desk lamp is energy efficient since it uses only 33 watts to the full spectrum 5000K, 10,000 Lux LEDs; which also will not overload the LEDs. The Optix® Eye Comfort Diffuser blocks UV but does not filter the quality of light and will not turn yellow over time. No heat and no bulb flutter with these advanced electronics.

**The SunBox® LED SunUp™ Desk Lamp is World Voltage ready and safe to use worldwide. Just plug in using an outlet adaptor and enjoy your personal sunshine anywhere around the world.**

---

If, for any reason, you encounter problems with your light box, contact us at 800-548-3968 (US only) or 301-869-5980.

---

**Limited Warranty/Guarantee:** The SunBox® Company, Inc. (us, we, our) warrants to the original purchaser (you, your) that the SunBox® LED SunUp™ (light unit, unit) is to be free from defects in material and workmanship under normal use for a length of five years. Our entire liability and your exclusive remedy as to the unit(s) shall be repair or replacement of the unit, at our option. You shall be responsible for the cost of returning the unit to us with a copy of the receipt and we will return the unit to you at our cost. If failure of the unit has resulted from accident, abuse, misapplication shall have no responsibility to replace or repair the unit. Fluorescent tubes are guaranteed for one year from date of purchase against failure.

The above are the only warranties of any kind, either express or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose, that are made by The SunBox® Company on this product. No oral or written information or advice given by The SunBox® Company, its dealers, distributors, agents, or employees shall create a warranty or in any way increase the scope of this warranty. This warranty gives you specific legal rights. You may have other rights, which vary from state to state.
