

# SunBox SERVICE BULLITIN 2018

## • UNPLUG UNIT BEFORE SERVICING!!!

This service bulletin is to address replacement bulb installation for your SunBox Unit.

The FBO-31/850 replacement bulbs for your SunBox may vary in length by 1/10 inch (Dimension A).

If needed, the sockets that hold the bulbs can be adjusted to fit the bulb length. You may need to pry the socket outward with a #2 flat screwdriver to fit the bulb inside your SunBox Light Unit. See photo below:

Insert Screwdriver and it will loosen white glue holding socket.

If you have any problems or questions call us TOLL FREE 1800-548-3968.

The SunBox Company 201 Broadway Street Suite 220 Frederick MD 21701
